Miami Overlook

Multi-trunked, native Everglades Palms provide the appropriate native Florida ambiance for this amazing rooftop setting at **The Ritz-Carlton Residences**. The 92 foot pool is the crown jewel in Piero Lissoni's opulent design that incorporates a sweeping view of Miami as well as amenities like private cabanas, a large jacuzzi, and outdoor kitchen.

Zenville

Bonsai-like Japanese ligustrum trees, verdant tropical plantings and a seagrape specimen tree are used to create an idyllic meditation garden at **The Ritz-Carlton Residences** which is accented by pathways of natural stone slabs.
