THE ANNUAL DEVELOPERS SHOWCASE

Design District

With the Magic City's skyline in the headlines daily, **Modern Luxury Interiors South Florida** and **Poltrona Frau** brought the best of the real estate business to their showroom. During the **Annual Developers Showcase**, Miami's top properties showed off their luxury amenities like rooftop soccer fields by **Paramount Miami World Center** or scenic ocean views by **The Ritz-Carlton Residences** on Miami Beach. Other participating properties included **1 Hotel & Homes, Auberge Beach Residences** and **Spa Fort Lauderdale, TOWN Residential, Paraiso Bay, Brickell Flatiron, NINE at Mary Brickell Village** and **IRIS on the Bay**. When guests weren't enjoying the sounds of DJ **Saint Chill**, they enjoyed bites prepared in Poltrona Frau's new luxury kitchen and sipped **Lucky Buddha Beer, ZIOBAFFA pinot grigio, Mandarine Napoléon** and **Reyka Vodka**. To end the evening in style, **Kitty Carmichael** serenaded the crowd on the balcony overlooking the Design District.
