## MASCULINE MYSTIQUE

A rainy afternoon didn't deter the city's most dapper men from celebrating their sartorial savvy at *Miami's* annual **Men of Style** celebration. Honorees Nacho Polo, Rich Wilkerson Jr., Ontario Armstrong and Clifton Wilson (all featured in the April 2015 issue's signature feature) made their way to The Ritz-Carlton Residences Miami Beach where Lionheart Capital's own Ophir Sternberg and Ricardo Dunin joined the gentlemen for an evening of cocktails and fashion. TV presentations of John Varvatos' recent runway shows gave the party an unmistakably stylish rock 'n' roll vibe as real estate types, local influencers and various VIPs mingled with moxie. "All I kept thinking was: 'What do I wear?'" said Freddy Diaz. "When the invitation says 'Men of Style,' you have to take the dress code seriously." —MM
